

10 Things A Five-Star RV Park Should Always Have

五星級 RV 露營區基本上應具備的 10 項設施

When it comes to choosing an RV park, you deserve the best of the best.

After all, there's always plenty of other options out there. If a park doesn't make you feel completely comfortable, then it just doesn't feel like it was worth the time or the money. And you probably won't end up coming back.

It doesn't seem like we ask for much as RVers – just a cozy, clean place to park for a couple nights. But in order for an RV park to be worthy of a good, five-star review on Yelp or TripAdvisor, here are 10 things in particular that it should definitely have.

當自駕露營車的人面臨必須選擇露營區的時候，他要的當然是好中之好的露營區。

可以選擇的露營區畢竟很多，但若一個無法讓你完全放鬆舒服的露營區，那是不值得花時間耗在那邊也不值得花那筆錢，因為那麼糟糕的露營區，你是不會再回頭光顧的。

露營的愛好者，其實對露營區的要求也不多，只不過希望有一個舒服且乾淨的地方可以待上幾天罷了~ 但要做到一個好到足以放在評論網站 Yelp 或 TripAdvisor 的 5 星級露營區，至少有以下 10 點是特別需要具備的。

1. Free WiFi.

What is this – the '30s? WiFi is almost essential in modern times. Some people even rely on it everyday for work, and many full-timers need to use it for routine tasks like banking.

Because it's so highly used these days, nothing will turn visitors off more than charging an extra fee just to log on to the web. Not everyone needs to sit and surf online for hours – but it is nice to stay connected and be able to share your photos on Facebook.

1. 必須具備可以免費使用的 WiFi

使用 WiFi 幾乎是現代生活必備的。有些人每天工作依賴它，對於整天生活在露營區的人，更需要使用 WiFi 來處理日常生活的例行事項，譬如處理銀行事務就是其中之一。

正因為 WiFi 是現代人高度使用的一種設備，因此，若要讓露營的人不再光顧該露營區，莫不過要求露營的人需要額外付費才能使用網路。不是每一個人

一坐下來就會瀏覽好幾個鐘頭的網路，但要是能在露營區內隨時上網，隨時在臉書分享照片，那實在是一件令人愉悅的事。

2. There's enough space between you and your neighbors.

Nobody wants to feel all crowded and on top of each other. A good RV park will provide enough space between sites so everyone can enjoy a sense of privacy, and a little bit of breathing room

2. 營位跟隔壁的營位之間必須有足夠的空間

沒人喜歡擁擠及人疊人的感覺。好的露營區應該提供營位跟營位之間有足夠的空間，讓彼此之間能感受隱私感及自由呼吸的空間。

3. There's a convenient way to get rid of your trash.

Trash stinks, so of course, you'll want to be able to easily dispose of it. It's always a plus if the bin is within a short walking distance from your site or – even better – if you're able to get your trash picked up

3. 露營區應該有一套輕鬆又簡便的方式來處理垃圾問題

你一定很希望能夠輕鬆處理臭氣薰人的垃圾，因此若有一個幾步路距離的垃圾箱，對露營區絕對有加分效果。當然，最好是有到府收集垃圾的服務。

4. Pull-through sites are well-maintained and spacious.

You know you're pulling into a great park when their pull-through sites are nice and big. A huge, defined site just makes parking so much easier, no matter what type of RV you're in.

4. 露營區必須提供維護狀況良好且寬敞的 Pull-through 營地

一個露營區若提供維護狀況良好且寬敞的 pull-through 營地，無疑地，你將知道你住的是一個很棒的露營區。不論你的 RV 是哪一類型，一個大且界線清楚的營位，都會讓停車變成一件很容易的事。

5. Picnic tables are provided.

Picnic tables are a must when it comes to camping. A good RV park will provide not just one – but several of them. And they won't make you pay to use them. You don't even have to eat at the tables – you can just sit and do work, play games, or enjoy a conversation while soaking in all of the surroundings.

5. 露營區必須提供野餐桌椅

露營區的野餐桌椅是一項必要的設備。一個好的 RV 露營區，應該提供數個且免費使用的野餐桌椅。野餐桌椅的功用不是只有用餐，在你充分享受露營區環境之後，野餐桌椅可以讓你坐下來工作、玩遊戲，或是與人愉快談話的地方。

6. The electrical and sewer connections are up-to-date.

Dumping waste is not something most of us really want to have to deal with. But, we have to. And when an RV park offers up-to-date connections, it just makes it all the easier. Or, use a macerator!

6. 露營區應該具有電氣自來水及汙水排放的最新接頭裝置

處理污穢物是大部分的人不願卻又不得不處理的事。一個 RV 露營區能夠提供最新的接頭裝置，就會讓處理污穢物這件事變得容易。如果沒有最新接頭裝置，露營區應該提供粉碎幫浦。

7. The laundry facilities are nice and clean.

Like trash, dirty clothes can really start to smell up your RV after they're been sitting for a few days. So depending how long you're staying, you may end up needing to use the laundry facilities. An RV park can easily earn a few brownie points by having a clean laundry room, with plenty of easy-to-use washers and dryers.

7. 提供一個令人舒服且乾淨的洗衣間

就像垃圾一樣，多放幾天的髒衣服確定會讓你的 RV 車內產生異味。看你停留的時間長短，也許最後你還是得使用洗衣間。RV 露營區若有一間乾淨的洗衣間，配上充足且容易操作的洗衣機及乾衣機，相信這樣的露營區一定會贏得好印象積分。

8. They have a pet area and/or a playground.

The more amenities an RV park offers, the better. You have a place for my four-legged friend and my little ones to run off all their energy? And I can still sit and drink an ice cold brew at my private campsite later on? Alright, alright – take my money already.

8. 露營區內應設有寵物區及小孩遊樂區

露營區內能有越多的便利設施越好。如果營區內的設施能夠讓我的寵物及小孩消耗精力，讓我稍後可以在我私人營地好好坐下來喝個冰冷飲料，好吧~好

吧~這樣的營地就準備來賺我的錢吧！

9. The shower facilities are spotless – and there's *always* plenty of warm water.

Perhaps one of the most important features at an RV park is having a nice, clean place to take a shower. It's really what we would expect in our bathrooms at home (or maybe a level up).

Just keeping it stocked with items like toilet paper and paper towels is essential, as well as keeping it maintained (without paint peeling off the walls or trash on the floor). And then there's the water.

Have you ever taken a freezing cold shower at a resort? It's absolutely miserable. No matter what time you're jumping in, the water should always be at a good, warm temperature.

9. 營區內的衛浴設備不但要乾淨無污點而且經常提供足夠的熱水

RV 露營區最重要的要點之一，就是提供一個令人愉悅且乾淨的衛浴設備。這樣的水平就像我們期待家裡的衛浴設備一樣（或者比家裡的水平還高）。

經常保持廁所裡有衛生紙，擦手紙也是不可缺少的。淋浴間的設備要維護乾淨（牆壁沒有油漆剝落，地板上也沒有垃圾），再來就是水的問題。

你曾經在度假勝地洗過冰水澡嗎？那絕對是苦不堪言。無論你在什麼時間進入淋浴間，五星級 RV 露營區的洗澡水應該總是令人舒適的溫度才對。

10. And the customer service makes you feel right at home

Greet us with a smile. Even offer us some free coffee when we check in, maybe. But also, be well-trained and knowledgeable about RVing, the park and local area, and all of the amenities offered.

One of the most memorable and important features of any business – including RV parks – is wonderful customer service from the workers and the staff.

10. 提供賓至如歸的服務

接待人員總是面帶微笑迎接客人。也許在客人登記入住時，甚至還提供免費的咖啡。訓練有素且熟識園區的接待人員能詳細告知有關露營事項、園區分布及所有園區提供的設施。

任何行業，包括 RV 露營區，最令人難忘且最重要的要點之一，就是要提供好的服務。

What do you think? What else should an RV park always have?

以上 10 點，你認為如何呢？你認為一個 RV 露營區應該再具備哪些要項呢？
